See <http://wlcg.web.cern.ch/collaboration/management/collaboration-board/members> for details of those Members who hold the Copyright. All rights not expressly granted under this license are reserved.

This software includes voluntary contributions made to the WLCG. See <http://www.cern.ch/wlcg> for more information on the WLCG.

Installation, use, reproduction, display, modification and redistribution of this software, with or without modification, in source and binary forms, are permitted on a non-exclusive basis. Any exercise of rights by you under this license is subject to the following conditions:

1. Redistributions of this software, in whole or in part, with or without modification, must reproduce the above copyright notice and these license conditions in this software, the user documentation and any other materials provided with the redistributed software.

2. The user documentation (if any) included with a redistribution must include the following notice:

"This product includes software developed by Members of the Worldwide LHC Computing Grid Collaboration (<http://www.cern.ch/wlcg>)."

If that is where third-party acknowledgments normally appear, this acknowledgment must be reproduced in the modified version of this software itself.

3. The names "LCG" and "WLCG" may not be used to endorse or promote software, or products derived therefrom, except with prior written permission by Lcg.Office@cern.ch . If this software is redistributed in modified form, the name and reference of the modified version must be clearly distinguishable from that of this software.

4. You are under no obligation to provide anyone with any modifications of this software that you may develop, including but not limited to bug fixes, patches, upgrades or other enhancements or derivatives of the features, functionality or performance of this software. However, if you publish or distribute your modifications without contemporaneously requiring users to enter into a separate written license agreement, then you are deemed to have granted all Members of the WLCG Collaboration a license to your modifications, including modifications protected by any patent owned by you, under the conditions of this license.

5. You may not include this software in whole or in part in any patent or patent application in respect of any modification of this software developed by you.

6. DISCLAIMER

THIS SOFTWARE IS PROVIDED BY THE MEMBERS OF THE WORLDWIDE LHC COMPUTING GRID COLLABORATION AND CONTRIBUTORS "AS IS" AND ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, IMPLIED
