

3. The **Grid Deployment Board** (GDB) is the forum within the WLCG Collaboration where the computing managements of the experiments and the regional computing centres discuss and take, or prepare, the decisions necessary for planning, deploying and operating the WLCG. Its membership includes: as voting members - one person from each country with a regional computing centre providing resources to an LHC experiment (usually a senior manager from the largest such centre in the country), a representative of each of the experiments; as non-voting members - the Computing Coordinators of the experiments, the LCG Project Leader, and leaders of formal activities and projects of the WLCG Collaboration. The Chair of the GDB is elected by the voting members of the board from amongst their number for a two year term. The GDB may co-opt additional non-voting members as it deems necessary.
4. Concerning all technical matters, the WLCG Collaboration shall be subject to review by the **Large Hadron Collider experiments Committee** (LHCC), which makes recommendations to the **Research Board** (RB).
5. Concerning all resource and legal matters, the WLCG Collaboration shall be subject to the **Computing Resource Review Board** (C-RRB). The C-RRB is chaired by CERN's Chief Scientific Officer. The C-RRB membership comprises a representative of each Funding Agency, with voting rights, and (ex-officio) members of the WLCG Management and CERN Management, without voting rights.
6. The **LCG Project Leader** represents the WLCG Collaboration to the outside and leads it in all day-to-day matters. He/she shall be appointed by the CERN Director General in consultation with the CB.
7. The CB shall ensure, through the establishment of appropriate sub-committees, that **publications, presentations and press releases** made in the name of the WLCG Collaboration conform to such standards, in particular standards regarding fair representation of the technical contributions of the Members of the Collaboration, as it may determine or that may be prescribed by Protocols in force between Members of the Collaboration.
